

FINISH AREA RACE COURSE

USA PRO CYCLING CHALLENGE

AUGUST TWENTIETH 2012

This guide is to provide you with information about Telluride's Stage 1 finish of the USA Pro Cycling Challenge and all the necessary details leading up to the events of that day.

The racers will start in Durango early Monday, pushing their way over Lizard Head Pass, and will enter Town via the Spur. They'll make a loop up Columbia Street and cross the finish line in front of the Courthouse on Colorado Ave. Thousands of spectators are expected to be in Town for this historic event with ample media coverage, domestic and international. What an exciting way to showcase this beautiful town! We want you to be prepared and hope you will plan to join in the festivities.

P A R K I N G ROAD CLOSURES SUPPLEMENTAL

All residents and businesses should anticipate the large parking impact and traffic congestion that is expected for the event. The nature of the course necessitates displacement of significant segments of residential spaces; please utilize off-street parking such as garages and driveways. Vehicles parked in restricted areas are subject to police impoundment at the owner's expense. All Pay-to-Park and permitted zones will not be enforced Sunday August 19th and Monday August 20th.

Parking in Town:

Displaced residents are encouraged to move their vehicles early to East Colorado Ave. past Town Park or Black Bear Rd. near the Shandoka daycare center. There will be shuttle services to these locations on Sunday August 19th from 5-8pm and Tuesday August 21st from 8-11am. Restricted parking areas include Carhenge, South Pearl lot, North row of Shandoka lot, Mahoney St., South Aspen St., North Fir St. to alley, highschool parking lot, Town Park lot, North Aspen St. to alley and North Oak St. to Columbia St. (see Race Course map)

Parking out of Town:

Designated parking zones will be established on the Hwy 145 Spur, Lawson Hill and in the Town of Mountain Village with shuttle buses moving between these locations. An informational checkpoint and barricade will be set up near the bike underpass on the Spur to help direct traffic to these locations. Cyclists should utilize the bike path and bike valet at Town Park and Oak Street Plaza.

Access:

An early closure of the Spur to vehicular access is anticipated to begin at some point between 10:30am to 12:30pm on the day of the race. Access into Town will be restricted to only residents and businesses of Telluride and race credentialed vehicles. Hang tags for Town residents and businesses will be issued at Town Hall based upon necessity. There is no guarantee of access or parking and residents and businesses are strongly encouraged not to drive on Aug. 20th. A hard closure will occur around 3pm and will remain until the race finish around 4pm.

As the racers move across the state, a rolling closure will occur in advance of the riders lasting approximately 20-30 minutes. For the Town of Telluride, staged closures will occur along the route beginning on Saturday, August 18th. The Town is taking great care to minimize the impact residents will experience. The following outlines what will take place leading up to the main event.

Saturday, August 18th - Effective at 6am

Closed: North side of Colorado Ave. from Townsend to Aspen. Two-way traffic will remain open and be diverted to the south side of the street.

Sunday, August 19th - Effective at 6am

Closed: North & South sides of Colorado Ave. from Townsend to Fir and North Aspen from Colorado to the alley (closed to parking and vehicular traffic).

Monday, August 20th - Effective at 5am

Closed: North & South side of Colorado Ave. from Townsend to Willow (closed to parking and vehicular traffic). Parking on the remaining course will be eliminated:

- Colorado Ave. from the roundabout to Townsend
- 100 block of N. Townsend on East & West sides
- Entire Columbia Ave. from Townsend to Willow
- 100 block of N. Willow on East & West sides
- 100 block of N. Oak on East & West sides
- 100 & 200 blocks of S. Aspen on East & West sides

North-South vehicular traffic will be able to cross Colorado Ave. at Townsend and Willow intersections and travel on Columbia Ave. until approximately 12 p.m. After which, the race course will be closed to vehicular traffic for ancillary bike race events.
